

# *Unplugged* **LeGar** *Mixology*

## EXPERIENCE

### *Drink List*

#### *Gin, Grape, Celery*

a fresh drink with a pleasant sweet notes of grapes, savory and herbaceous notes of celery, with juniper berries aftertaste.

#### *Grappa, Horseradish, Fig leaf soda*

we can smell the grappa flavors with wooden notes of barrel, than tasting it we feel the freshness of soda with the persistent notes of fig and at the and the spicy of horseradish come as a surprise.

#### *Alta Langa, Pear, Truffle*

the effervescence of the bubbles on the palate is the main characteristic of this drink, which combines perfectly with the sweetness of pear, all wrapped in the pleasant notes of truffle.

#### **LeGar Unplugged Mixology**

*Is a new philosophy of mixology, a method of mixing high quality raw materials in a delicate way to preserve the complexity of flavors and aromas. For us it's important to surprise through the simplicity, of healthy and natural drinking.*

#### **Tailor made tasting experience**

*Please choose a theme, select a ingredient, offer us an idea or suggest us an emotion you want to transfer to the participants. We will be happy to translate the initial idea into a tasting of 3 cocktails that explore the nuances.*
